

C8400(DJ) specification

Equipment parameters	
depth of field	1000mm
Width of assembly line	《1400mm
Can data be interfaced	Yes
Data Acquisition Time	0.1s
Photograph retention	Yes
Line speed	《60m/min
Maximum number of simultaneous reads	15 pieces
operating temperature	-30~40℃
input voltage	220V/50HZ
barcode recognition	
one-dimensional code	minimum width 10mil
two-dimensional barcode	according demand
Equipment Size	L640mm*W1490mm*H2345mm

catalog	name	Specification, model	quantities
laptops	Hikvision Customized Advantech Mainframe	AIIS-1230 i5,8G,120G SSD, total 6 Gigabit LAN card support multiple camera solutions	1 set
			1 piece
			1 piece
			1 piece
			1 piece
	monitor (computer)	21.5" AOC LCD Monitor	1 unit
	keyboard and mouse	Logitech Wireless Keyboard and Mouse MK220	1 set
optical device	horn (automobile etc)	5V Active Speaker	1 piece
	Industrial Camera + Lens	Hikvision MV-CA060-11GM+MVL-HF-1628M-6MP	3 set
	LED light	Hikvision MV-LB-200-200-20WL	3 set
	brackets	Joan customized: sheet metal frame structure bracket, color: pantone color-172C, rack and belt line use, need to be fixed on the floor	1 set
